Mill House Neighbourhood House
President's Report for the AGM
John Warner
18th Nov 2025

It has been a privilege to serve as President of Mill House as from 12th November 2024. Unfortunately, due to health concerns, I will not be nominating to stand for President at the up coming AGM.

Highlights for this financial year included:

- Membership was finally opened up and not restricted to just Committee members. New Committee members enthusiastically contributed.
- The term started off well with a Committee training conducted by Kaz, the RANCH area manager. Unfortunately, she resigned soon after the training.
- We recently welcomed a new RANCH area manager.
- Neighbourhood House Victoria have been of great assistance during the absence of an area manager.
- A fresh new Website was developed with email addresses for the Executive
- The development of a new strategic plan
- The donation of an AED on behalf of the Murray Basin Rail Project
- Dedication and commitment of staff and committee through some challenging circumstances
- Retaining quality volunteers
- Growing the facility utilisation: rented rooms, days open and programs on offer
- Having better relationships with funding bodies
- Growing number of groups and activities, especially involving the younger generation

Challenges

Tight budget constraints prohibited comprehensive training of the Committee and also building maintenance. The new financial year's budget forecasts a healthy surplus.

Our long serving Co-ordinator, Michelle Baker, moved away from Maryborough. Sarah McLean has been appointed as her replacement.

Three valued Committee members resigned due to personal reasons.

My recommendations for next year are:

Now that the accounts are in order, as confirmed by a qualified CPA, have the AGM in August to avail the new Committee of training.

Ensure the new Committee has a balanced skillset as recommended by Justice Connect. Eg. Committee Secretary, Legal, Accounting, HR, OH&S, PR, Committee Governance.

Ensure policies and procedures continue to be developed.

Restrict membership to 40Km of Mill House.

To avoid conflict of interest occurring again on the Committee, do not accept Committee applications from related family members or that partners are on staff.

To maximise Committee Confidentiality and minimise micro-management, do not accept Committee applications from active volunteers, as recommended by NH Vic.

Stay focused on delivering outcomes identified on the Strategic Plan.

Take the role seriously to identify and minimise risks.

The Committee does its role and not pushes its responsibilities to the manager or other staff, unless properly delegated and agreed by both parties.

I would like to express my profound appreciation for the following people. These people in the background did enormous amounts of work and without their dedication, we would not be the thriving organisation we are today: Sarah Mclean and Louise D'Wynn.

A new structure was introduced that reduces wages and ensures that Mill House will remain solvent and liquid. This is further assisted by the grow number of quality and synergistic tenants. In the new calendar year, we expect to be at full rental capacity.

Old structure

Committee of Management

Co-ordinator

Book-keep and kitchen manager

Volunteers

New structure

Committee of Governance

Manager

Mill House Neighbourhood House
Treasurer's Report for the AGM
John Warner
18th Nov 2025

The financial reports are attached for financial year 2024/2025 that the Committee approved.

After a challenging year, I am pleased to report that Mill House remains liquid and solvent. The Committee decided that an Audit was not required due to the accounts being review by a CPA each month from January to June.

The budget for the financial year 2025/2026 forecasts a healthy surplus, which is important to allow a provision for building maintenance and Committee training.

There has been good financial control by the staff.

The small deficit is attributed to prior year auspicing related expenses.

Part of Prepaid Grants that appear on the Balance Sheet are from DFFH are preserved awaiting a decision from DFFH.

Prepaid auspiced grants from the Local Council were returned when requested, as the event did not proceed.

Account 6-5700 Roundings & Adjustments is an accounting entry determined by a CPA after a financial review.

Accounting system expenses have been separated from Accounting fees, as recommended at the last AGM and confirmed as appropriate by a CPA.

No members of the Committee were paid this financial year and there has been no conflict of interest of Committee members.

Manager's Report — Mill House Neighbourhood House

Financial Year 2024–2025

A Year of Connection and Renewal

The 2024–2025 year has been one of connection, growth, and renewed community strength at Mill House Neighbourhood House. Our purpose remains clear — to provide a welcoming and inclusive space where people come together to share skills, stories, and support. Mill House continues to embody the spirit of a “proud” community — one built on generosity, resilience, and care for one another. While our resources may be modest, the pride we take in what we create together is immense. Over the past year, Mill House has strengthened its reputation as a true neighbourhood hub — shaped by the people it serves and driven by local energy and commitment.

Programs and Participation

Mill House delivered a rich and varied calendar of programs designed to meet the needs of our community and encourage connection, creativity, and belonging.

Program Highlights

- Friday Feast — our wonderful community event, regularly attracting many residents and volunteers.
- The weekly community market, a gathering place for conversation, mutual support, and fresh produce.
- A diverse range of creative, wellbeing, and educational workshops, shaped directly by participant feedback and local interests.

Partnerships and Collaboration

Strong local partnerships have been central to Mill House's success. Collaborations with schools, service providers, and community organisations have increased opportunities for inclusion, volunteering, and support. These relationships reflect a shared understanding — Mill House may be rich in people, heart, and collective will.

People and Volunteers

Our volunteers remain the heart and soul of Mill House. Their generosity, humour, and compassion are visible in every corner of the house — from preparing meals to greeting visitors with a warm smile.

Financial Overview

Mill House operates within tight financial means, yet continues to deliver a wide range of high-quality programs and events. Careful management and community goodwill have ensured ongoing stability. We gratefully acknowledge the continued support of the Department of Families, Fairness and Housing (DFFH), the Central Goldfields Shire, and local partners and donors.

This year, Mill House was fortunate to receive targeted grant funding that has directly enhanced our facilities and programs.

- A **\$10,000 grant from the Foundation for Rural & Regional Renewal (FRRR)** supported the **upgrade of the Mill House Food Shed**, improving storage, safety, and functionality for community food distribution.
- Additional support from the **Central Goldfields Shire** funded the installation of **block-out blinds**, improving comfort and usability of our shared spaces for workshops and gatherings as well as allowing Mill House to host "Cooler Spaces" throughout the hotter months of summer

These grants have had a meaningful impact, allowing Mill House to continue serving the community with dignity and care. They reflect our ability to achieve significant outcomes with limited resources — a testament to our identity as a *proud* and hard-working community organisation.

Leadership and the Future

This year marked a smooth leadership transition with Sarah McLean appointed as Coordinator. With solid foundations and a proud community identity, Mill House is well positioned for continued success. Priorities for the year ahead include strengthening volunteer engagement, expanding program access, and advocating for our small community.

Looking Ahead

Mill House stands as a proud symbol of what can be achieved when a community works together — with limited resources but unlimited heart. Mill House continues to prove that connection, compassion, and creativity are the true measures of wealth. We thank our staff, volunteers, Committee of Management, partners, and participants for another outstanding year of collaboration and community spirit.

"Mill House has helped transform many lives through encouragement and inspiration." — John Warner, President
